2014 Voluntary Page and Overlength Article Charges

NOTE: Voluntary page charges do not apply to open access articles.

Title	Voluntary Page Charges (per page)	Overlength Article Charges (per page)	After Page: Regular	After Page: Short	After Page: Brief or Communication	After Page: Tutorial	After Page: Invited	After Page: Letters	After Page: Review
Aerospace & Electronic Systems	$110	$200	10					4	
Aerospace & Electronic Systems Magazine									
Affective Computing									
Annals of the History of Computing									
Antennas & Propagation	$110	$200	8	4					
Antennas & Propagation Magazine									
Antennas & Wireless Propagation Letters	$110	$200	1						
Applied Superconductivity	$110								
Audio, Speech & Language Processing	$110	$220	10	6					
Automatic Control	$110	$125	12						
Automation Science Engineering	$110	$175	8	4	4				
Autonomous Mental Development	$110	$200	12	6		20		4	
Biomedical Circuits & Systems	$110	$110/$150	9	5					
Biomedical & Circuits & Systems Magazine									
Biomedical and Health Informatics	$110	$110/$250	7	2	10				12
Biomedical Engineering	$110	$110/$250	7	3					

Title	Voluntary Page Charges (per page)	Overlength Article Charges (per page)	After Page: Regular	After Page: Short	After Page: Brief or Communication	After Page: Tutorial	After Page: Invited	After Page: Letters	After Page: Review
Broadcasting									
Circuits & Devices Magazine									
Circuits & Systems for Video Technology	$110	$110/$175	9	5					
Circuits & Systems Magazine									
Circuits & Systems, Part I	$110	$110/$175	9	5					
Circuits & Systems, Part II	$110	$110/$175	9	5					
Communications	$110	$220	8						
Communications Letters	$110	n/a	3						
Communications Magazine									
Components, Packaging and Manufacturning Technnologies	$110	$175	8						
Computational Biology and Bioinformatics									
Computational Intelligence & AI in Games	$110	$200	12	6				4	
Computational Intelligence Magazine									
Computational Social Systems	$110								
Computer Aided Design of Integrated Circuits & Systems	$110	$110/$175	9	5					
Computer Architecture Letters
